

Top quality dermatology at your fingertips!

With NALCHBP Telehealth, board-certified dermatologists can provide a diagnosis and treatment plan in under 72 hours. No appointment or video visit needed. Just upload pictures of your skin, hair, or nail concern. Our dermatologists can even write a prescription, if necessary, and have it sent to the pharmacy of your choice.

Online dermatology in 3 easy steps:

Step 1: Sign up or log into NALCHBP Telehealth and select “Dermatology” to get started.

Step 2: Describe your skin, hair, or nail concern and upload pictures of the affected area.

Step 3: Get a diagnosis, treatment plan, and a prescription when needed.
