Dear JOHN01 SAMPLE01,

NALC Health Benefit Plan is enrolling you in **SilverScript (EGWP) Employer PDP sponsored by NALC Health Benefit Plan (SilverScript (EGWP))** as your Medicare Part D prescription drug plan beginning January 1, 2025, unless you tell us by **November 25, 2024** that you do not want to be enrolled in our plan.

This plan is a Medicare Part D Prescription Drug Plan (PDP) offered specifically to NALC Health Benefit Plan members. The plan type is an Employer Group Waiver Plan (EGWP). You may see the term PDP EGWP when referring to this plan.

You do not have to do anything if you want to be enrolled in the plan. Your coverage automatically begins on January 1, 2025.

If you are currently enrolled in a different Medicare prescription drug plan or a Medicare Advantage (MA) HMO or PPO plan (Part C), enrolling in SilverScript (EGWP) will cancel your enrollment in the other plan. Please call us if you think you might be enrolled in a different Medicare prescription drug plan or a Medicare Advantage plan.

If you have questions about your 2025 benefits, please contact NALC Benefit Plan Customer Service at 1-877-814-NALC (6252), Monday through Friday, 8 a.m. to 3:30 p.m. ET (TTY:711).

If you do not wish to be enrolled in SilverScript (EGWP), you MUST contact us by November 25, 2024 at 1-833-272-9886, 24 hours a day, 7 days a week. TTY users should call 711.

Watch for your ID card and plan materials

Provided you do not opt out, your enrollment will be sent to Medicare. After Medicare has confirmed your enrollment in SilverScript (EGWP), you will receive your essential plan information. These will include:

- Confirmation of Enrollment Letter – A letter that confirms Medicare has approved your enrollment.

- Your Member ID Card – The card you will provide to the pharmacy when filling your prescriptions. Please use your SilverScript card for your prescriptions and your NALC health plan card at your provider's office.
- Low income Subsidy (LIS) Rider (if applicable) – An explanation of any Extra Help you will receive in 2025.
- Online Document Notice – Instructions on how to electronically access your essential plan documents. These include your *Evidence of Coverage, Formulary, and Pharmacy Directory*.

You will receive your new SilverScript (EGWP) member ID card in a separate mailing. **Do not use this ID card until January 1, 2025.**

If you do not have your ID card by January 1, 2025, take this letter to your pharmacist. The codes in the top right-hand corner of the first page of this letter contain the information your pharmacist will need to process your prescriptions. Please contact SilverScript (EGWP) Customer Care to let us know if you do not receive your card.

Your drug coverage

As a part of Medicare Part D, the plan will provide you with a list of covered drugs called a *Formulary*. The *Formulary* contains only the list of drugs covered under Medicare Part D.

NALC Health Benefit Plan is providing additional coverage to your Medicare prescription drug coverage. The additional coverage may cover more than your Medicare Part D coverage. For more information on your coverage level, please contact NALC Benefit Plan Customer Service at 1-877-814-NALC (6252), Monday through Friday, 8 a.m. to 3:30 p.m. ET (TTY:711).

If you have prescriptions that require prior authorization, your prior authorization will not transfer to SilverScript (EGWP). The plan will allow for a temporary supply of up to 90 days of a medication while you get a new prior authorization.

For more information on your benefits, please contact NALC Benefit Plan Customer Service at 1-877-814-NALC (6252), Monday through Friday, 8 a.m. to 3:30 p.m. ET (TTY:711).

What you need to know as a member of SilverScript (EGWP)

This mailing includes important information about SilverScript (EGWP) and the coverage it offers, including a *Summary of Benefits* document. Please review this information carefully. **If you want to be enrolled in this Medicare prescription drug plan, you do not have to do anything, and your coverage will automatically begin on January 1, 2025.**

Once you are a member of SilverScript (EGWP), you have the right to appeal plan decisions about payment or services if you disagree. Read the *Evidence of Coverage* from SilverScript (EGWP) to know which rules you must follow to receive coverage with this Medicare prescription drug plan.

SilverScript (EGWP) is a Medicare prescription drug plan and is in addition to your coverage under Medicare Part A or Part B. Your enrollment in SilverScript (EGWP) does not affect your coverage under Medicare Part A or Part B or your coverage under your NALC health plan. Enrollment in this program will NOT suspend or terminate your FEHB health plan coverage.

You can be in only one Medicare prescription drug plan at a time. If you are currently in a Medicare prescription drug plan, your enrollment in SilverScript (EGWP) will end that enrollment. Enrollment in SilverScript (EGWP) is generally for the entire year. It is your responsibility to inform SilverScript (EGWP) of any prescription drug coverage that you have or may get in the future.

By joining this Medicare prescription drug plan, you acknowledge that SilverScript (EGWP) will release your information to Medicare and other plans as is necessary for treatment, payment, and health care operations. You also acknowledge that SilverScript (EGWP) will release your information, including your prescription drug event data, to Medicare, which may release it for research and other purposes which follow all applicable Federal statutes and regulations.
